# Celebrating 50 Years Of Christmas

Join us for our most exceptional Christmas yet; one that marks the finale of our 50th year celebrations. We're honouring decades of festive joy, which all began at our original South Molton Street, London salon in 1971.

Discover our new Limited Edition collection, Jubilant Pine & Patchouli, a rich woody-aromatic fragrance. Created by Master Perfumer, and long-time friend of ours, Jacques Chabert, it's inspired by the unique, heartwarming energy of our first Christmas Eve.

Revel in our selection of festive gift sets, housed in classic, 1970s-inspired gift boxes. From thoughtful treats to grand gestures, create seasonal memories for your VIP guests, teams and esteemed contacts.

Call the corporate sales team on +44 (0)203 540 1250, email [corporate@moltonbrown.com](mailto:corporate@moltonbrown.com) or visit your preferred store to begin your gifting journey.

With best wishes,

## GIFT WRAPPING

Inspired by the natural materials used in our original Mayfair salon, our packaging is designed with a classic, 1970s rattan pattern. Gleaming with rich, festive gold, emerald and scarlet, our gift boxes are made for your loved ones to enjoy forever. Along with the crackers, they're made from tree-free paper and recycled materials.

## OUR SUSTAINABILITY JOURNEY

As pioneers of positive luxury, we never have and never will test on animals and we champion beauty that's kinder to the environment. We're proud that our products have been Made in England since the beginning – and we're committed to this for our future. To help reduce waste, we've started to make plastic bottles with 50% recycled PET. Our quality has awarded us with a Royal Warrant from Her Majesty Queen Elizabeth II.

## Wellbeing And Care

The health and wellbeing of our teams, clients and communities is our highest priority. During these uncertain times, we believe it is important to look after each other. Let us help you extend a reassuring gesture of care.
